Momentum Pensions Limited appreciates that the risk profile may change over time, and therefore requests that our staff are notified as soon as possible where this is the case.

Disclaimer - Your Investment Adviser will give you advice in line with your attitude to risk and you should ensure that the underlying investments recommended meet with your risk profile. Momentum Pensions Limited are the Professional Trustees and Administrators who ensure your retirement fund is managed within relevant legislation. We accept our duties and responsibilities as both trustees and administrators in full. We do not however, provide investment, tax or legal advice in relation to your fund. Please consult your adviser for advice in these areas.

08. INVESTMENT GUIDELINES

The Trustees needs to ensure that the applicant's funds are invested in a prudent manner and in the best interests of the member. The key principle is to ensure that there is a suitable level of diversification relevant to the Member and that the investment:

- Is in line with the underlying Member's attitude to risk.
- Predominantly invested in regulated markets. Not more than 10% of the Scheme assets can be invested in securities that are not traded in or dealt on a regulated market.
- Esoteric, Non-Standard Investments are restricted to no more than 10% of the portfolio's value. Acceptance of these assets is at the discretion of the Trustees.
- Maximum of 40% of the fund in assets with expected liquidity of greater than 3 months but not greater than 6 months.
- Where liquidity is provided by a secondary market, this must be provided by the issuer of the asset and have a maximum pricing period of monthly.
- Where products with underlying Capital guarantees are chosen, i.e. Structured Notes, these will be permitted up to a maximum of 66% of the portfolio's values, with no more than one quarter of the portfolio to be subject to the same issuer default risk.
- Where no such Capital guarantee exists, investment will be permitted up to a maximum of 50% of the portfolio's value.
- Structured Notes will only be accepted at the discretion of the Trustees.
- In addition, further consideration needs to be given to the following factors:
 - Overall size of fund;
 - Credit risk of underlying investment;
 - Liquidity of fund.
- No private funds or private company shares, including shares in a company where the Member, or a related person is a controlling shareholder.
- No immovable property assets. Property funds are acceptable within parameters set out within this guidance.
- No gearing or leverage through the use of derivative products, aside from the use of structured products, which provide some underlying guarantees. If individual investments or equities are considered, then not more than 20% in any singular asset, aside from collective investments.
- Collective investments or funds that provide a sector and geographical spread are acceptable, even if the investments are confined to one fund with a recognized provider.
- In addition to the above, the portfolio must be constructed in such a way as to avoid exposure:
 - To any single sector;
 - To any single region;
 - To any single credit risk.

09. PROFESSIONAL ADVISER DECLARATION

We confirm that:

- We have provided appropriate independent advice regarding the suitability of the Applicant's proposed transfer to the Scheme and the proposed underlying investment.
- We are suitably qualified to provide this advice and meet the licensing and regulatory requirements of the jurisdiction in which the advice is being provided.
- All fees have been disclosed to the Applicant including any charges for the underlying investments.
- Where a transfer is from a scheme with any form of guarantee, safeguarded benefits or defined benefits, we have undertaken the appropriate transfer analysis and the Applicant has been advised of any benefits that will be lost as part of the proposed transfer to the Scheme.
- We confirm that any investment advice given to the Applicant will be within the Investment Guidelines issued by Momentum Pensions Limited as varied from time to time and any regulations issued by the Isle of Man Insurance and Pensions Authority in respect of pension assets.
