09. DEFINED BENEFITS AND SAFEGUARDED BENEFITS - IMPORTANT INFORMATION

Where you choose to transfer benefits held in your current Defined Benefit Scheme or Safeguarded benefits to a QROPS, you are giving up your future entitlement to a guaranteed pension benefit and other associated benefits as outlined below. You will not be able to reverse this transfer once your current Scheme(s) processes your request to transfer.

It is a legal requirement that for transfers from UK Registered Defined Benefits Schemes or Schemes with Safeguarded Benefits, over £30,000 that specialist advice from a FCA Regulated Pension Transfer Specialist is sought.

Prior to transferring these benefits, you should have reviewed in depth the Pension Transfer Specialist Advice and considered the following key points with the pension transfer specialist advice and in discussions with your adviser. Please note this is not an exhaustive list and that Momentum Pensions Malta Limited are not able or authorised to provide you with advice regarding the transfer of benefits.

- As a Member of a Defined Benefit scheme you are guaranteed a certain level of pension income payable for life to you from when you retire.
- Your Scheme may also allow you to retire early on a reduced guaranteed pension or provide the full level of guaranteed pension to you if you retire earlier due to ill health.
- Your Scheme may also provide for a guaranteed level of benefits to your beneficiaries in the event of your death.
- From the date you ceased to be an active Member of your Defined Benefit scheme, your pension benefits may increase annually with the aim of keeping pace with inflation.
- If you have an entitlement to a protected early retirement age or are registered with the HMRC for enhanced protection or a protected/enhanced tax-free cash entitlement under your current Scheme, this may be lost on transfer.
- Where a UK Defined Benefit Scheme becomes insolvent the Scheme will have access to the UK Pension Protection Fund providing a degree of protection for your guaranteed benefits.

Under a QROPS, the value of your pension benefits on retirement are not guaranteed and are based on the performance of your investments, the fund value at the point you elect to take benefits and annuity rates at that time, if you decide to buy a pension.

The Money Advice Service website provides further information relating to Defined Benefits which can be accessed here:
