Settlors' source of wealth

The Insurance (Anti-Money Laundering) Regulations 2008 requires all Isle of Man life companies to "make enquiries as to how an applicant has acquired the monies to be used as premium for, or contribution to, a policy." This reflects the Isle of Man's commitment to maintain the highest possible standards of business practice and to counter money laundering and the financing of terrorism.

RL360° has adopted a risk-based approach to meet these regulations, categorising all countries that we will accept business from into 1 of 3 tiers. Each tier has different source of wealth requirements. We have categorised countries according to their level of compliance with international regulatory standards.

Full details on the source of wealth procedures can be obtained from your financial adviser or can be downloaded from www.rl360.com/sourceofwealth.pdf

You must complete the relevant questions in full in all cases based on how the settlors accumulated their wealth. Please use Section 8 if you require more space for details.

PIMS literature

We confirm that we have read a copy of the PIMS product literature including the *Brochure, The Facts, Key Features, Guide to Investment* and *Terms and Conditions*.

Our application

By signing this application we agree to the policy being governed by the PIMS *Terms & Conditions*. We confirm that all of the information we have provided in this application, along with any supporting forms, questionnaires, statements, reports or other information are true and complete.

Availability

We confirm that to the best of our knowledge and belief, we are not subject to any legislation that would make this investment into PIMS unlawful.

Financial adviser

We have appointed (company name) to act as our financial adviser.

We agree to RL360 Insurance Company Limited (RL360°), disclosing all information relating to our PIMS policy to our appointed financial adviser. We will let RL360° know in writing if we decide to change our appointed financial adviser. We agree to and realise that trail commission of % per year will be paid to our financial adviser on a quarterly basis from the policy.

Investment

We are aware that RL360° does not provide investment advice and that any published acceptable investment list should not be considered a recommendation.

We request that RL360° allocate the premium to the investments detailed in Section 6 of this application. In order for RL360° to do this, we confirm the following:

- a) We agree to RL360° acting on investment instructions received from us or our appointed adviser, despite the fact we may not have read all of the documentation issued by the investment manager for each investment.
- b) Where the premium is allocated in full or in part to any cash deposit account(s), we are aware that we may not be covered by any depositors compensation scheme should the deposit account provider become insolvent. We are aware that this is because RL360° holds this account on our behalf.

We acknowledge the risks associated with linking a cash deposit account to the policy and accept that in the event of the insolvency of our chosen deposit account provider, RL360° will have no responsibility for any loss and we could lose the full amount invested.

We are aware and acknowledge that the deposit provider we choose to invest with may not be an institution or subsidiary with which RL360° would normally hold balances or deposits.

- c) We are aware that some investments (including cash deposits) may have terms and conditions that could
 - i) restrict RL360° from realising a cash value when requested and prevent RL360° paying out benefits from the policy in a timely fashion.
 - ii) result in RL360° receiving the cash value from a sale in multiple instalments. If this should happen RL360° has the right not to re-invest or pay in full, benefits from the policy until the amount has been received in full.
 - iii) result in RL360° receiving a payment from a sale by a means other than cash. If this should happen RL360° may require us to surrender some or all of the policy.
 - iv) result in RL360° having to pay back some or all of the sale proceeds if an adjustment has to be made after the payment. If RL360° is required to make such a repayment and the policy value is too low to cover it, or we have surrendered the policy, we agree to compensate RL360° for any loss that it has suffered as a result.
- d) We accept that RL360° has the right to sell investments linked to the policy without requiring our permission. RL360° may do this if it decides that an investment may have harmful legal or tax consequences under law.
- e) We are aware that there may be fees to pay when RL360° sells one or more of the investments linked to the policy. Any fees due when selling an investment should be detailed by the investment manager in the investment documentation.
- f) We acknowledge that some of the investments made available by RL360° may be Experienced, Professional, Qualified or Sophisticated Investor Funds as defined under the applicable legislation. We realise that these types of investment are not intended for general sale to retail investors. We are aware that RL360° will be regarded as the investor for the purposes of these types of investment. We accept that these investments usually involve a high level of risk and that it is our responsibility to read the investment documentation, including any risk warnings, provided by the investment manager. We accept that RL360° may require us to confirm that we have read and understood the investment documentation and risk warnings. In all cases we acknowledge that RL360° will require us to sign a declaration confirming that we qualify and meet the required standards to be able to invest. We are aware that the declaration must be signed before RL360° can place the investment and, in all cases, RL360° has the right to decline the investment without providing a reason.
- g) We confirm that we are aware of the fees that must be paid in relation to our chosen investments. We realise that these fees are required to cover the costs of promoting and distributing the investments, including any commission paid to our appointed adviser(s).

Section 9 Corporate trustee declaration continued
