04. MEMBER DECLARATIONS

I request the transfer of my benefits held within the Momentum Gibraltar Pension Plan to the Receiving Scheme detailed in Sections 2 or 3.

I understand that the amount of the transfer payment will depend on the valuation of the assets at the date the assets are encashed or assigned (in the case of an in-specie transfer) and is made subject to any fees or tax applicable. The amount of the transfer payment may be higher or lower than the current valuation of my benefits held within the Momentum Gibraltar Pension Plan. I declare that I have sought clarification and am fully aware of any surrender penalties and/or other fees that may apply on any disinvestment of the amounts requested in this pension transfer request form.

I authorise the Scheme Administrator to release any details of my pension benefits to the Receiving Scheme and authorise the Scheme Administrator, provider or insurer of the receiving scheme to provide Momentum Pensions (Gibraltar) Limited with any information it may request. I agree that a copy of this authority will have the validity of the original.

I understand that neither the Trustees nor Scheme Administrators of the Momentum Gibraltar Pension Plan is responsible for any quotation or literature issued or representation made on behalf of the Receiving Scheme(s).

I acknowledge that in complying with my requirement to pay the transfer value as requested the Trustees and Scheme Administrators are discharged from any obligation to provide me, my spouse or dependants with any further entitlement under the Momentum Gibraltar Pension Plan.

I understand that where the receiving scheme is a QROPS, it is my responsibility to confirm with the QROPS Scheme Manager that the receiving scheme meets the requirements to be a QROPS and acknowledge the importance of taking independent, professional advice before proceeding with the transfer to help me meet this responsibility.

04. MEMBER DECLARATIONS (continued)

I understand that Scheme Administrators are obliged to report any part of this transfer which is a relevant transfer fund to Her Majesty's Revenue and Customs (HMRC). Should the transfer be deemed to be unauthorised by HMRC or if the Receiving Scheme is later found to not have met these requirements then:

- A transfer of such funds might not be a recognised transfer and may be treated as an unauthorised payment giving rise to a liability to pay tax in the UK
- A further payment made or deemed to be made may be treated as an unauthorised payment giving rise to a liability to pay tax in the UK.

I understand and agree that I will be wholly and personally liable for any tax charges due and any resultant penalty as may be imposed by HMRC because of an unauthorised payment due to information in this form being incorrect or incomplete. I understand that neither the Trustees nor the Scheme Administrator are liable for any claim in the event of further tax becoming payable as a result of this transfer.

I confirm that my current tax residency is as declared in this form

I understand that a transfer of any Ring Fenced Transfer funds¹ and/or assets held in this Scheme could give rise to a liability to pay an Overseas Transfer Charge (OTC) unless excluded. I understand if this transfer gives rise to the OTC Charge, that the OTC will be deducted from my QROPS fund prior to any transfer being paid by the Scheme Administrator and submitted to HMRC, unless otherwise agreed with the Scheme Administrator.

I hereby irrevocably and unconditionally agree to fully and effectually indemnify and keep indemnified Momentum Pensions (Gibraltar) Limited from and against any tax liability, charge or interest of whatever nature (including all associated costs) that may be incurred by Momentum Pensions (Gibraltar) Limited as a result of any false or incorrect declaration I have made in this form, or failure to notify them of any change in my tax residency within the required timeline, which ultimately results in a liability being imposed.

I understand that the benefits provided by the Receiving Scheme may be in a different form and of a different amount to those which would have been payable under the Momentum Gibraltar Pension Plan.

Access to funds is normally only permitted for Members over age 55 (except on grounds of permanent ill health) who follow a formal retirement process set out by the Trustees or Employer of the Receiving Scheme and within the applicable legislation. I understand that any such payment before age 55 would constitute an unauthorised payment for tax purposes and as a result would be subject to a tax deduction and may also be subject to additional tax penalties.

I acknowledge that I have read the additional information at the end of this document, including the recommendation from Momentum Pensions (Gibraltar) Limited to review the 'pension scam' information available to individuals from the UK Pensions Regulator or Pensions Advisory Service before I sign these transfer discharge forms. If I have any concerns regarding this transfer, I understand that I should raise these concerns with Momentum Pensions (Gibraltar) Limited or seek regulated financial advice before signing this discharge form.

The information I have provided within this form is true and accurate to the best of my knowledge.

Transfers to QROPS

i) Permitted Transfers

We are only able to proceed with a transfer to an overseas scheme if the scheme is a QROPS. Otherwise, a pension transfer to an overseas scheme may give rise to an unauthorised payment charge.

A transfer to a QROPS may affect the range of drawdown options available to you at retirement and beneficiaries and your benefits may also be subject to different tax provisions. If you are in any doubt about the transfer or the range of benefit and the taxation treatment, we recommend that advice is sought from a suitably qualified adviser, on transferring your benefits from the UK and the consequent tax implications.

ii) Overseas Transfer Charge (OTC)

The OTC was introduced in the UK Finance Act 2017 and provides that a tax charge of 25% will apply on transfers from a UK Registered Scheme¹ requested on or after 9th March to an Overseas Scheme (referred to as the "Original Transfer") unless one of the five conditions below are met. The OTC does not apply in respect of an UK transfer requested before the 9th March 2017.

The Original Transfer funds are held as "Ring Fenced Transfer Funds" in the QROPS.

Where the OTC was not charged on the Original Transfer and the Member subsequently transfers these Ring Fenced Transfer Funds, within five consecutive complete UK tax years (relevant period) to a new QROPS, the transfer value is then assessed for the OTC.

The OTC will apply on the transfer to the new QROPS, unless one of the following five conditions are met:

1. You are tax resident in the same country / territory in which the receiving QROPS is established.
2. You are tax resident in the EEA and the receiving QROPS is established in the EEA².
3. The receiving QROPS is set up by an international organisation of which you are an employee.
4. The receiving QROPS is an overseas public service pension scheme and you are an employee of a public service employer.
5. The receiving QROPS is an occupational pension scheme and you are an employee of a sponsoring employer under the Scheme.

This transfer will be excluded from the OTC if:

- The transfer does not include ring fenced transfer funds.
- More than five consecutive complete UK tax years have elapsed since the date of the original transfer.

Pension Scams

The UK Pensions Regulator and Pensions Advisory Service has published material for individual to alert them to the dangers of "Pensions Scams".

Many of the offers seem very convincing, offering a free pension review, early pension release, a legal loophole, pension loans or offers of excellent returns.

However, once you've transferred your money into a scam, it is too late. You could end up losing all your pensions savings and in some cases face a tax bill of up to 55%.

Before you sign any transfer discharge forms, we strongly recommend you read the pension scam information available on the Pension Advisory Service or Pensions Regulator websites which can be accessed as follows:

- <http://www.thepensionsregulator.gov.uk/individuals/dangers-of-pension-scams.aspx>
- <http://www.pensionsadvisoryservice.org.uk/pension-problems/making-a-complaint/common-concerns/pension-scams>.

If you have any queries or concerns in this regard, please let us know immediately.

² EEA includes Gibraltar, Liechtenstein, Norway and Iceland in this context.
